

# MAKERVERSE

MakerVerse is your platform for sourcing industrial parts. The platform provides instant access to a vetted supply chain and a full range of manufacturing technologies. With AI-powered quoting, order management, and fulfillment, MakerVerse helps with everything from initial prototypes to full-scale production.

Investors include industry leaders Siemens Energy and ZEISS, and financial/venture capital investors, including 9.5 Ventures. The start-up was founded in 2022 and is headquartered in Berlin, Germany.
